Chinese New Year

Chinese lanterns drop into shot from above.

Festive fireworks appear in shot.

The fireworks stop and Chinese decorative flowers float into shot from right to left.

The flowers continue to blow in whilst a circular shape appears in the lower middle section.

The pig is visible on the circular shape, whilst the flowers continue to blow in.

The circular shape flips and disappears out of shot.

The text "Happy Chinese New Year" appears below the BCU logo.

The text translates to Chinese.
